

Communique Cookie Policy

This policy specifically explains how "Communique", (hereinafter referred to as "we", "us" or "our" in this policy.

We, our partners, and users of our services deploy cookies, as well as the options you as Data Subject (“means any identified or identifiable individual to whom personal data relates”) have to control them.

What are cookies?

Cookies are small pieces of data, stored in text files, that are stored on your computer or another device when websites are loaded in a browser to make the user’s experience more efficient. They ensure a consistent and efficient experience for visitors and perform essential functions such as allowing users to register and remain logged in.

How we use cookies?

This website uses cookies. We use cookies for a number of different purposes. Cookies are used to track visitors to our website so we can better understand what portions of it best serves your interest. We also use cookies to control access to certain content on our website and to allow our server to maintain information about any users who contact us.

Communique uses cookies for a number of purposes, including:

- **Security**

Communique uses cookies to support or security features we have deployed, and to help us detect malicious activity and violations of our Terms of Use.

- **Preferences, features and services**

Communique uses cookies to know which language you prefer, what your communications preferences are and they help you fill out forms on Communique. They also provide you with features, insights, and customized content through our plugins.

- **Performance, Analytics and Research**

Communique uses cookies to help us learn how well our site and plugins perform across the globe. We also use cookies to understand, improve, and research products.

The applicable Data Protection Legislations (“means and include EU GDPR and Section 43A & 72 of Information Technology (Amendment) Act, 2008”) states that we can store cookies on your device if they are strictly necessary for the operation of this website. For all other types of cookies, we need your permission.

Where we place cookies?

We set cookies in a number of different locations across our services. These include:

- On our websites
- In the administrative dashboards of our websites

- In the emails we send.
- On the contact us page

This site uses different types of cookies. Some cookies are placed by third-party services that appear on our pages.

Your consent applies through our consent banner to all the pages of our website.

Categories of Cookies

The table below explains the categories of cookies we use on our websites and why we use them.

Category of cookies	Why we use these cookies
Essential	These cookies are essential for our websites and services to perform basic functions and are necessary for us to operate certain features. These include those required to allow registered users to authenticate and perform account-related functions, store preferences set by users such as account name, language, and location, and ensure our services are operating properly.
Analytics and Performance	These cookies allow us to optimize performance by collecting information on how users interact with our websites, including which pages are visited most, as well as other analytical data. We use these details to improve how our websites function and to understand how users interact with them.
Advertising	These cookies are set by us and our advertising partners to provide you with relevant content and to understand that content's effectiveness. They may be used to collect information about your online activities over time and across different websites to predict your preferences and to display more relevant advertisements to you. These cookies also allow a profile to be built about you and your interests and enable personalized ads to be shown to you based on your profile.
Marketing	These cookies are used to track advertising effectiveness to provide a more relevant service and deliver better ads to suit your interests.
Functional Cookies	These cookies collect data to remember choices users make to improve and give a more personalised experience.

In addition, people and companies that use our services to publish or host their own sites may place additional cookies. We provide more information on these cookies below.
